PUNCAK- One of the military units under the command of the Indonesian Armed Forces Operational Command HABEMA, the Task Forces of the Raider Infantry Battalion 323/Buaya Putih Kostrad, is currently conducting mobile security at the border of Indonesia and Papua New Guinea, especially in the Puncak Regency, Papua Tengah Province. On Thursday, 10 October 2024.

The 323 Task Forces, especially the Mayuberi Post led by First Lieutenant Yudo, implemented the results of Social Communication with the Leader and Staff of the Mayuberi Community Hospital to hold a community service cleaning the hospital's yard. This implementation of the community service commemorates the 79th anniversary of the Indonesian Armed Forces (TNI).

In his emphasis on the Soldiers, the Commander of the 323 Task Force, Lieutenant Colonel Tri Wiratno, conveyed the importance of the Task Forces' attention to the basic necessities of the community around the Post. Therefore, the Mayuberi Post has conducted Social Communication with the Leaders and Staff of the Mayuberi Community Hospital regarding the plan to clean up the hospital's yard. After the discussion, it was agreed that the cleaning would be done on Thursday (10/10).

After the preparations were completed, the Soldiers conducted the community service activities using cleaning equipment from their Post. The Soldiers carried out the community service with enthusiasm and ensured that no part of the hospital's yard was free from their touch. After the activity, Mr. Matius Turib, one of the officers of the Mayuberi Community Hospital who was at the location, said, "Thank you, Commander 323. The Hospital's yard is cleaner. God bless ".

Upon receiving the activity report, the HABEMA Commanding General, Brigadier General Lucky Avianto, commended the 323 Task Forces' initiative to hold a community service cleaning the Mayuberi Community Hospital yard. His words: "The 323 Task Forces' initiative is a testament to TNI's commitment to provide the community's basic need to support the acceleration of development in the Papua region." This recognition from the highest authority in HABEMA is not just a commendation but a testament to the significant impact of such initiatives on the region's development. It instills profound hope and optimism about their potential to shape the region's future positively. It makes the Task Forces and the community feel recognized, valued, and respected for their efforts. It gives everyone a sense of hope and optimism about the region's future development.
